

FUJIFILM

Fujifilm Barcode Labeling Requirements And Information

Fujifilm is an authorized supplier of EDP Colorflex Labels. These labels are printed in-house at our Bedford, Massachusetts facility.

Minimum order requirement is 100 pieces.

To ensure on-time delivery and safe shipping, orders must be processed in Fujifilm's standard case quantities.

DLT® — 20 pieces

LTO — 20 pieces

SDLT — 20 pieces

3590 Enterprise tape — 30 pieces

3592 Enterprise tape — 20 pieces

4mm DDS/DAT 72 — 10 pieces

Complete the corresponding Label Order Form (mid-range or 4mm tape) or Label and Initialization Order Form (Enterprise Tape).

All Label Order Forms included in this folder can be accessed from the enclosed CD or at www.fujifilmusa.com/datacenterservices.

In order to eliminate mistakes or inaccurate order placement caused by handwritten forms, Fujifilm suggests that you access the forms from the enclosed CD, complete the form electronically and print the form for fax submission.

Fax the completed form **with the cartridge Purchase Order** to 914-789-7930.

Barcode Labeling: Allow **2 business days** for order process time.

Orders exceeding 5,000 pieces may require additional processing time. Orders received by 2:00pm EST are considered received on that date. Orders received after 2:00pm EST will be considered received the following business day.

Barcode Labeling and Initialization: To be determined at time of the order.

Contact Fujifilm Customer Service at 800-488-FUJI (option #3).

Allow 2-5 business days for transit time. Fujifilm ships via ground transportation. Customer is responsible for air freight charges, if requested.

Due to the custom nature of barcode orders, all barcode labeled media is final sale and not returnable.
